*PRAYER OF THE DAY

Come, O God, be with us here. As much as a deer longs for streams of cool water, we long to know that you are with us. When trouble and sorrow come, we need you. Help us to remember that you are always with us and that your love is steadfast. Put your song into our hearts, so that we may praise you this day. Amen.

We are excited to have you in our worship service today. We love that the walls of our building do not limit the impact of our ministry and have a wonderful community joining us today virtually. As such, we would like to remind all in attendance that your presence in our worship service indicates your approval that you and all minors you represent being recorded for our digital usage. This includes, but is not limited to, your image, name, and involvements in today's services.
